

## Feedback Analysis: 2023-2024

### Student Feedback on Campus Facilities

This report provides a thorough analysis of student feedback regarding various aspects of the college campus facilities. The data was gathered from students across different semesters and courses, reflecting their perspectives on various facilities offered on campus. These include evaluations of classroom infrastructure, laboratory facilities, computer availability, Wi-Fi accessibility, sports amenities, National Service Scheme (NSS) provisions, canteen services, drinking water availability, restroom cleanliness, the college's dedication to environmental sustainability and pollution control, and the quality of hostel accommodations available on campus.

The report incorporates feedback from 986 students across different semesters. Among these, 25.8% were from the first semester, 19.2% from the second semester, 20.4% from the fourth semester, and 34.5% from the sixth semester. Moreover, 69% were Honours students, 22.8% were General students, and 8.2% were PG students.

- 1. Classroom infrastructure in the college:** Students expressed high satisfaction with the college's classroom infrastructure, with 41.3% rating it as good, 32.8% as very good, and 17.3% as excellent. This indicates a favourable sentiment among the students concerning the quality of campus facilities.
- 2. Infrastructure of the laboratories in respective streams:** 40.8% of students rated the laboratory infrastructure in their respective streams as good, while 34% described it as very good, and 19.5% considered it excellent. This overall feedback reflects that the college provides a satisfactory and well-regarded level of infrastructure facilities.
- 3. Computer and internet cum Wi-Fi facilities:** 36.5% of students rated the provided facilities as good, 22.9% as very good, and 15.2% deemed them excellent. Conversely, 12.6% of

## Action Taken Report based on Student Feedback on Campus Facilities

This report showcases the proactive steps taken in response to valuable student feedback aimed at enhancing various facets of college life. The input received reflects the students' genuine commitment to enriching their overall academic experience.

In particular, the need for improved toilet facilities was highlighted, prompting the college to implement measures to ensure clean and well-maintained toilets. Additionally, recognizing the critical role of technology in education, the college has bolstered its computer lab by increasing the number of available computers and has introduced Wi-Fi access for students. These improvements not only address student concerns but also foster a more conducive learning environment.
