NOTIFICATION FOR SVMCM SCHOLARSHIP

All students are hereby notified that SVMCM scholarship Portal for the academic session 2025-2026 is active for a long period. But it is unfortunate that many students are coming for scholarship at the last moment though they have acquired eligibility long before. It is apprehended that the SVMCM scholarship Portal may be closed very soon.

Students are therefore asked to complete all formalities related to scholarship within 11.06.2026. A special Camp will be organised according to the following schedule to resolve the issues related to the scholarship. It is also noted that the college authority has no power to change/modify/correct any mistake (name/surname/Bank Account Number/AADHAR/Mobile Number etc) done by the students. The corrections will be done by the University/ Higher Education department depending on the nature of error which will take time. So, the students are advised not to wait for the last moment. It is also notified for general information that each student has individual login credential for entering data in the portal and the college has no capacity of entering data of the students in the portal It is also notified that Admission Portal will remain open up to 11.06.2026.
